The Coalition has slowed pulling from Wait List each week to keep the number of children whose parents cannot find a childcare provider to no more than 30 children. Future pulls will be dependent upon the number of children waiting for a provider, as opposed to funding available to place children in care. Currently there are 568 children on the Wait List.

b. Contracting and Fraud Summary Report:
There are 85 SR providers and 69 VPK providers. There is no fraud to report for the year.

VI. **Old Business**

a. **CRRSA and ARPA Grant Funding - Update**
There was nearly $1 million in CRRSA funding remaining for this fiscal year. Due to the positive responses for retention and recruitment initiatives, a shift in the distribution of the remaining CRRSA funding has been requested.

All providers have received the first installment of the ARPA Grants. Some providers have also received the second installment. The funding DEL moved to this fiscal year will more than cover the remaining installments.

b. **DEL 2021-2022 Finance Review - Update**
The Finance Review final report was received last week from DEL. There were 3 findings, and the Coalition is preparing a response.

c. **End of Year Funding Transition and Financial Position**
The end of year funding transition is in progress. The June invoice is in the process of being done and should be submitted next week. Work is being started for the 13th invoice which is due September 19, 2022. The invoicing to the DEL by the previous Finance Director left the Coalition under invoiced by approximately $800,000 dollars this past year. The Finance Department is working vigorously to find all the errors and get them corrected. This deficit will be corrected with the last invoice for the year.

d. **FY 22-23 Budget**
The Coalition Budget for FY 2022-2023 for $30,766,760.00 was presented to the Committee. Upon a motion made by Ms. Jackson and seconded by Mr. Thompson, the FY 22-23 Budget was approved for presentation to the Board without objection.
