Registration for the 2025-26 VPK Program Year will open on January 1, 2025, for children born between **September 2, 2020 – September 1, 2021**.

Voluntary Prekindergarten (VPK) is a free program designed to prepare four-year-old children for kindergarten and build the foundation for their educational success. VPK is available to all four-year-old children born on or before September 1st that reside in Florida, regardless of family income.

Go to <https://www.fldoe.org/schools/early-learning/parents/vpk-parents.stml> or scan the QR code below to learn more about Florida's VPK program.

STEP ONE – Go to <https://familyservices.floridaearlylearning.com> to apply for VPK.

If you use your phone to apply turn the phone sideways so you can see all the information easier.

1. **New Users**, register an account with the parent's email where the child is living.
2. **Returning Users** will log into their Family Portal with their email and password set up for their account.
3. You must upload two documents with your child's application: Proof of Age and Proof of Residency. Please upload the full page of the documents needed.

STEP TWO – SELECT A VPK PROGRAM PROVIDER:

Begin your search for a VPK Program Provider after submitting your child's application.

1. The **Spencer Bibbs Title One Center** oversees the VPK registrations for the **public-school sites**. To find out if your child is eligible to attend VPK in a public school call them at 850-806-8205.
2. If you need a list of private VPK Program Providers contact our Childcare Resource and Referral Department at 850-595-5915 or email them at CCRR@elcescambia.org.

STEP THREE – PRINT CHILD'S CERTIFICATE OF ELIGIBILITY from your family portal account to give to the VPK Program Provider you selected for your child to attend.

Per state guidance the documents below have been approved for proof of age and proof of residency. You only need to provide one document for each.
