1. GENERAL INFORMATION

A. Introduction

The Escambia County School Readiness Coalition, Inc., doing business as the Early Learning Coalition of Escambia County, herein referred to as the Coalition, invites qualified Web-Based Learning System for PreK Classrooms companies to quote as described in the Request for Proposal (RFP). To be considered, written proposals using the format described herein must be received by **5:00 PM. Central Standard Time on December 4, 2023**, at the Coalition’s office located at 1720 W. Fairfield Dr. Suite 100/400, Pensacola, FL 32501.

See item B in Section 3 for the Anticipated Schedule of Events and Deadlines

B. Background

In 1999, the Florida Legislature passed the School Readiness Act. The Act created the Florida Partnership for School Readiness. In addition, the Act called for the creation of local school readiness coalitions whose goals were to improve the readiness of children when they enter school.

With specific membership designated by Florida Statutes, 57 school readiness coalitions were formed throughout the state covering all 67 counties. Many coalitions have now merged, reducing the number in the state to 30.

In 2001, the Florida Partnership for School Readiness was transferred from the Executive Office of the Governor to the Agency for Workforce Innovation for administrative purposes. The funds for the Pre-Kindergarten, Subsidized Child Care, Even Start, First Start, Migrant Pre-Kindergarten, and other programs were managed by the Agency for Workforce Innovation and distributed through the local coalitions.

In early 2005 the State passed Voluntary Per-Kindergarten (VPK) legislation which placed local responsibility for the VPK program with the local school readiness coalitions. The coalitions were renamed “Early Learning Coalitions” to reflect their greater role in meeting the early care and educational needs of children and their families. Coalitions now fall under the direction and funding of the Florida Department of Education, Division of Early Learning (DEL).

The Coalition is charged with assessing the early care and educational resources available in our community and developing local plans to address identified needs of children and their families. The Coalition plans, funds and oversees a system of services designed to help ensure that children are ready for school when they enter kindergarten. In addition, the Coalition helps give parents support services to enable them to be stable and strong.
